Easter 2023

ZION LUTHERAN CHURCH

Issue #2

## *Pastor's Letter*

*'God has made everything beautiful in its time.  
God has set eternity in the human heart;  
yet no one can fathom what God has done from beginning to end.'*  
Ecclesiastes 3:11

This March & April there will be lots of wonderful opportunities for you to get involved in the life of your congregation. Lent lunches and devotions each Wednesday 11:30-12:30 will provide an opportunity to be fed spiritually and physically. Lenten Holy Listening Sessions on Sunday evenings at Bootleggers 6:30-7:30pm will provide a chance to learn from community members and enjoy fellowship with parishioners. The 1st Men's Night Corn Hole Tournament Sunday, April 16th will kick-off our new men's ministry and an opportunity for connection between gentlemen in our congregation, and to invite others in the community to have a positive experience with Zion. Worship will involve art displays each week as we journey towards our fantastic Easter Celebration. While our usual children's and youth programming continue through March and April, we will be a happily busy and bustling place to be. There is much to be excited about at Zion this time of year.

We welcome your input. As staff and church council dream of what is ahead for Zion we welcome your ideas. A Dream Box has been established outside the office doors, near the sanctuary. Simply place your dreams for Zion in the box. These will be read and considered by staff and council. We are eager to see where the Spirit may be leading our congregation. Another opportunity for your input involves church visitation and re-invigorated church teams. Who should be on our list to be visited by pastors or our communion servers? We would love to expand our list with your help. Simply call the church office or write out a name and give it to our pastors at any of our worship services. We appreciate your assistance in ensuring those who want pastoral care are known to us. We are also growing our church teams. Here is a beautiful opportunity to serve in your church with a group of church members who share a similar passion. Some of these teams, or committees, have been active in the past at Zion, and are now re-starting. Some are brand new. We would like around five members on each team. So let us know if you are interested, or the Spirit is nudging you to serve on one of these following great teams. Each team will have a staff member and a council member supporting their good work: Personnel, Building & Grounds, Worship, Visitation, Stewardship, Education with Children, Education with Youth, Adult Ministry, Welcome & Fellowship.

This has been a busy first month in ministry with you. I have officiated four funerals, supported nominations, budget, and annual meeting preparations, worked with 9th grade confirmation, met with the Hannah Bible Study ladies, led worship services at two nursing homes, visited church members at home, met with church council, led staff development, and participated in numerous worship services. It is a joy to be in ministry with you. I thank you for the warm welcome and look forward to all God has in store for us together.

-Pastor Elaine Sweet  
Lead Pastor

## Hymn of the Month

In honor of Women's history month our monthly hymn for March is "I Need Thee Every Hour" by Annie S. Hawks. I first heard this hymn sung by contemporary Christian artists Selah. It is a melancholy tune that speaks to the importance of the Divine in everyday life. The story goes that Annie wrote this song on a sunny June morning in 1872. She later wrote "One day as a

young wife and mother of 37 years of age, I was busy with my regular household tasks. Suddenly, I became so filled with the sense of nearness to the Master, that, wondering how one could live without Him, either joy or pain, these words, *I need thee every hour* were ushered into my mind, the thought at once taking full possession on me." 16 years later Annie's husband, who aided her in writing this song, died. It was in the shadow of his death that the words she had written years later took new meaning of comfort and peace in the midst of sadness.

Our April hymn of the month is from the new Lutheran hymnal, All Creation Sings, "Touch that Soothes and Heals." I selected this Easter hymn because of the rich text by Mary Louise Bringle that speaks not only of seeing Jesus' wounded hands and feet but of being his hands and feet in the world today, showing love and serving others.

*Make a joyful noise to the Lord, all the earth. Serve the Lord with gladness; come into his presence with singing.* (Psalm 100:1-2)

Blessings,

Pastor Natasha Kolles

**March Book of the Month: A Gentleman in Moscow** In 1922, Count Alexander Rostov is deemed an unrepentant aristocrat by a Bolshevik tribunal, and is sentenced to house arrest in the Metropol, a grand hotel across the street from the Kremlin. Rostov, an indomitable man of erudition and wit, has never worked a day in his life, and must now live in an attic room while some of the most tumultuous decades in Russian history are unfolding outside the hotel's doors. Unexpectedly, his reduced circumstances provide him entry to a much larger world of emotional discovery.

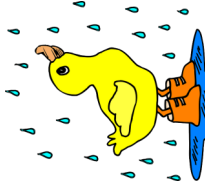

Brimming with humor, a glittering cast of characters, and one beautifully rendered scene after another, this singular novel casts a spell as it relates the count's endeavor to gain a deeper understanding of what it means to be a man of purpose.

**April Book of the Month: Most Wanted** Christine Nilsson and her husband, Marcus, are desperate for a baby. Unable to conceive, they find themselves facing a difficult choice they had never anticipated. After many appointments with specialists, endless research, and countless conversations, they make the decision to use a donor. Two months pass, and Christine is happily pregnant. But one day, she is shocked to see a young blond man on the TV news being arrested for a series of brutal murders—and the blond man bears an undeniable and uncanny resemblance to her donor.

Delving deeper to uncover the truth, Christine must confront a terrifying reality and face her worst fears. Riveting and fast-paced with the depth of emotionality that has garnered Lisa Scottoline legions of fans, the *New York Times* bestseller, *Most Wanted*, poses an ethical and moral dilemma: *What would you do if the biological father of your unborn child was a serial killer?* (\*Book Descriptions Found on Amazon.com)
